

## **IMPORTANT CLINICAL LABORATORY MEMORANDUM**

Date: 4-8-2025

To: CAMC Providers  
CAMC Staff  
CAMC LabWorks Clients

From: Vandalia Health CAMC Clinical Laboratories

Milton Plata, MD - CAMC General, CAMC Memorial, CAMC Women and Children's

Darlene Gruetter, MD - CAMC Teays Valley

David Webb, MD - CAMC Plateau Medical Center, CAMC Greenbrier Valley Med Center

Carolyn Cadle – CAMC Ambulatory

Kristy Rambo – CAMC GVMC Ambulatory

### **TOPIC: INACTIVATION OF VIRAL RESPIRATORY TESTS**

**EFFECTIVE: 4-15-2025**

To standardize and streamline the order catalog, as well as align with updated testing protocols and instrumentation, the following viral respiratory tests will be inactivated at Vandalia Health South Clinical Laboratories and Ambulatory locations:

- **IDI Coronavirus COVID-19 PCR**
- **Rapid COVID-19 PCR**
- **Rapid Influenza A & B Virus PCR**
- **Rapid Influenza A/B and Covid-19 PCR**
- **Rapid Influenza A/B Antigen FIA** (Vandalia Health Beckley Cancer Center excluded)

**Replacement order:** [Viral Respiratory Mini-Panel PCR](#) (i.e. mini-VRESP). This order includes testing for COVID-19 PCR, Influenza A PCR, Influenza B PCR, and RSV PCR.

Please direct any questions to any of the performing laboratories or clinics or Jonathan Perry at 304-388-9075 or [Jonathan.perry@vandaliahealth.org](mailto:Jonathan.perry@vandaliahealth.org).

Thank you!
