

## IMPORTANT CLINICAL LABORATORY MEMORANDUM

**Date:** January 27, 2026

**To:** CAMC Providers  
CAMC Staff  
CAMC LabWorks Clients

**From:** Vandalia Health South Region Laboratories

**Topic:** Weather Impact on Reference Laboratory Specimens

**Effective:** January 27, 2026

The Specimen Referral Laboratory has been notified by Mayo Medical Laboratories that all specimen pickups have been cancelled for today, January 27, 2026. We will stabilize specimens as much as possible, but some referred tests (such as bone marrows or genetic testing) must arrive in less than 48 hours. These specimens may require recollection. Please avoid collection of these specimens until normal shipping schedules resume.

Contact the Specimen Referral Department at (304) 388-5954 or Heather Clark (304) 388-4526 with any questions.
