

IMPORTANT CLINICAL LABORATORY MEMORANDUM

Date: 5/8/2026

To: CAMC Providers
CAMC Staff
CAMC LabWorks Clients

From: CAMC Vandalia Health Memorial Laboratory
Milton Plata, M.D.

TOPIC: CYSTATIN C Testing

EFFECTIVE: 5/8/2026

Testing for Cystatin C (CYS-C) at Memorial Laboratory will be performed on serum only until further notice. Only SST gold tops and red tops will be accepted. Specimen labels are updated to reflect this change for specimen tube type.

For any further questions please contact the performing laboratory.
