

IMPORTANT CLINICAL LABORATORY MEMORANDUM

Date: 8/3/26

To: CAMC Providers
CAMC Staff
CAMC LabWorks Clients

From: CAMC Vandalia Health South Region Laboratories
Milton Plata, MD

TOPIC: Haptoglobin

EFFECTIVE: 8/3/26

Automated Procedures Lab at Memorial Hospital will resume patient testing for Haptoglobin, effective August 3rd, 2026. All orders were previously routed to Mayo Laboratories due to manufacturer shortages but will now be performed at Memorial Hospital.

For any further questions please contact the performing laboratory.

Memorial Lab: Megan Peaytt 304-388-4184
