

IMPORTANT CLINICAL LABORATORY MEMORANDUM

Date: August 17, 2026

To: CAMC Providers
CAMC Staff
CAMC LabWorks Clients

From: Vandalia Health Southern Region Laboratories

TOPIC: Labor Day holiday shipping schedules

EFFECTIVE: September 4-8, 2026

Mayo Clinic Laboratories' specimen pickup and delivery schedules will be altered due to the upcoming Labor Day holiday.

Holiday shipping schedule:

Thursday, September 3 & Friday, September 4

-Regular courier pickup

-If there is an unexpected delay, shipments may not arrive at Mayo Clinic Laboratories until Wednesday, September 9.

Monday, September 7 (Labor Day)

-No courier pickup and no FedEx or UPS deliveries

Tuesday, September 8

-Regular courier pickup

-Regular delivery operation

Specimens received after 4pm on Friday, September 4, 2026, will not ship until Tuesday, September 8, 2026. We will stabilize specimens as much as possible, but some referred tests (such as bone marrows or genetic testing) must arrive in less than 48 hours. These specimens should not be collected during the above time frame as they may require recollection.

Thank you for your patience, regular operating hours will resume on Tuesday, September 8 at 8:00am, continuing through 6:30pm.

If you have any questions, please contact the Specimen Referral Department at 304-388-5954 or Heather Clark at 304-388-9356. Heather.clark@vandaliahealth.org
